Skill development Training and Tool kit grant for traditional craftsman.

1. Preface-

A sizeable population of OBCs is engaged in traditional occupation like handicrafts, jewellery making, metal work, weaving etc. Due to these low paid occupation and due to modern technological intervention they face tough competition in the market which create a feeling of inferiority and incapacity threatening their very existence. In order to have the traditional occupation as a sustainable self employment and income generating source for the families of traditional craftsmen their traditional skills need to be upgraded and they need to be equipped with modern technology to meet the market demands. The scheme is intended for the above purpose for improving the productivity and competitiveness, of the traditional OBC craftsmen ensuring quality goods for enhanced income and thereby qualititative improvement in their living conditions.

There are several craftsmen community among OBCs such as Viswakarma, Padmasaliya, chekkala etc. The Scheme envisages to provide modern skill training and Tool kit for these group.

2. Aims / Objectives

1. To create awareness among the skilled and semiskilled OBC workers on the need to adopt new technology in the highly technological era, for meeting the market needs.

2. To ensure sustainable self employment for fair livelihood.

3. To ensure social justice through the overall economical development of the traditional craftsmen communities.
3. **Eligibility Criteria**

Most of the people belong to OBC's are skilled and semi skilled labourers. Those who are engaged in traditional craft works/Skilled work are eligible for applying for the benefits under the scheme. The upper age limit is 60 years and the annual family income ceiling is Rs 1,00,000/-. The applicants should apply in the prescribed form with all relevant documents from the competent authorities. The documents to be attached are

(i) Caste Certificate  
(ii) Income Certificate  
(iii) Experience Certificate  
(iv) Certificate regarding Non-receipt of other grants from LSGD, KADCO etc.  
(v) Project report  
(vi) Photograph of the work site  
(vii) Photo copy of bank pass book.

4. **Selection Process**

The application will be invited through public notification in all the leading news dailies. If it is necessary an advertisement will be published.

On receipt of the applications, the scrutiny will be carried out at the Regional level. A draft list will be prepared on the basis of certificates and preliminary field enquiries. This will be subjected to further scrutiny by the Director, BCDD and final list will be drawn up.

Those selected will undergo training in their respective field of work if it is necessary. The maximum period of training will be three months. The training
will be arranged in various localities of the state according to the number of applicants. Those who successfully complete the training or those who already have the competency to adopt the new technology for each work will be selected for tool kit grant. The choice of tools will be vested with the applicant.

5. **Parameters for Selection**

1. Should be a member of traditional Craftsmen communities among OBC's (the list of Craftsmen communities attached as annexure)
